

## PRESS RELEASE

## Encompass closes latest funding round, led by BNP Paribas, to fast-track further innovation in Corporate Digital Identity technology

BNP Paribas will deploy Corporate Digital Identity to accelerate data-driven transformation

London, UK – 30th September, 2025 — [Encompass Corporation](#), the global leader in Corporate Digital Identity (CDI) solutions, today announced details of a financing round led by BNP Paribas, one of Europe's leaders in banking and financial services. This investment will accelerate Encompass' ability to further develop their CDI platform, EC360, enabling the delivery of scalable, secure and future-ready solutions that meet the needs of client-centric banks.

**The investment from BNP Paribas is a powerful endorsement of the transformational impact of our Corporate Digital Identity technology,**

said [Wayne Johnson, CEO and Co-Founder of Encompass Corporation](#).

This strategic commitment from one of Europe's most respected financial institutions **will help shape the future of client onboarding and digital transformation.**

[EC360](#) removes manual research with 100% automation of the KYC search procedure. Using bespoke automation rules to build complete CDI profiles in real-time, EC360 provides the foundation for BNP Paribas' client-focused KYC at onboarding and throughout the client lifecycle.

**This investment reflects our commitment to supporting our clients right from the very first interaction with BNP Paribas, leveraging technology to constantly enhance their experience**

said **Boris Leblanc, Chief Operating Officer, Corporate and Institutional Banking, BNP Paribas.**

By partnering with **Encompass**, we will use the power of intelligent automation to further streamline onboarding, reduce friction, and deliver a faster, more seamless, and secure client experience across our integrated banking model.

Encompass' platform complements this approach by delivering structured, high-quality data that supports AI-driven decision-making, automation, and client engagement. Existing customers of Encompass' CDI platform benefit from streamlined onboarding, reduced manual processes, and improved transparency across jurisdictions.

This funding round positions Encompass as a trusted partner for financial institutions seeking to modernize their operations and embrace the future of digital identity and AI-powered transformation.

#### **About Encompass Corporation**

Encompass enables fast, accurate identity validation and verification of corporate clients, and a gold standard approach to KYC. Our award-winning EC360 Corporate Digital Identity (CDI) platform and innovative solutions incorporate real-time data and documents from authoritative global public data sources and private client information, to create and maintain digital risk profiles. With Encompass the world's leading banks improve client experience and increase business opportunities through consistent regulatory compliance and risk mitigation.
